

Dear Community Member,

It is with great pleasure that the Womelsdorf Volunteer Fire Company is announcing the creation of our website, www.womelsdorffire.com. We have signed an agreement with JAG Computer Services of Robesonia, Pa to design, build, and host the website.

Several reasons exist for the fire company to have their own site:

- To provide information to the community about the operations, members, and history of the department.
- To provide photos and information of apparatus, calls, and events as well as a calendar of upcoming events and training.
- To provide information on funding and how the community can help.
- To provide fire prevention tips and education.
- To provide a store where merchandise such as reflective signs, t-shirts, patches, and more can be purchased to support the fire company.

With our desire to have a website comes the need for paying for it. Though the fire department has committed to fund this project, we are asking the community to assist us. As a sponsor, you will help the fire company divert funding from paying for the website to other important projects such as new equipment, apparatus payments, and building maintenance such as heating and electric bills. These items are where funding is needed the most.

For only a minimum of \$25.00 a year, your business, association, group, or you as an individual, will have banner advertisement on our home page. This banner will show a different sponsor when a page is refreshed. Your sponsorship will also get a place on our "sponsor page". This page will show the community all that have helped the website out with funding and will include permanent space with the name, address, phone number, and website address link if provided. Your logo or other artwork, if provided in digital form, can be submitted though we cannot guarantee that it can be put on the website. All new sponsors received by the end of 2005 will take effect on January 1st, 2006 for the full year of sponsorship.

If you would like to help, please fill out the sponsorship form included with this letter. Though the fire company is only asking a minimum of \$25.00 a year, you can give any amount over \$25.00. It would be very much appreciated. If there are any questions, comments, or concerns, please contact the firehouse at 610-589-4645 or email info@womelsdorffire.com. Thank you for your time.

Yours in community service,

The members of the Womelsdorf Volunteer Fire Company
